

SIZE CHART

tested to work

H.
Head measurement.

P.
Collar size. When measuring for shirts, place the tape measure level around the neck, 1 cm above the collar bone.

A.
Chest. When measuring for jackets and boilersuits, place the tape measure level around the widest part of the chest. For example: If your chest measurement is 102 cm, choose jacket size 104 cm (next size up). If a sweater is to be worn under the jacket, choose the next size up, i.e. 108 cm.

K1
Normal waist height (MASCOT® IMAGE and MASCOT® ORIGINALS). When measuring for trousers and bib and braces, place the tape measure level around the waist.

K2
Low waist (MASCOT® HARDWEAR, MASCOT® YOUNG and MASCOT® FRONTLINE). When measuring for trousers, place the tape measure level around the waist

L.
Hip. When measuring for ladies' trousers, place the tape measure level around the hip.

E.
Measure from crotch to desired length of trouser.
Regular 82 cm (32"). Tall 90 cm (35"). Short 76 cm (30").
